politics in relation to political-economic situations

Ethical ability to:

critically and reflectively value different theoretical perspectives concerning the international
political-economic system, and argue for judgements of the international political-economic
system based on theoretical claims.

Entry requirements

Bachelor degree with a major in Political Science, or equivalent.

The forms of assessment of student performance

The course is examined by; individual oral examination, and individual written seminar assignments.

Other regulations

Course grading: F/Fx/E/D/C/B/A - Insufficient, Insufficient- more work required before the credit can be awarded, Sufficient, Satisfactory, Good, Very Good, Excellent

Course language: The teaching is conducted in English.

A student who does not fully meet the learning outcomes of a non-supervised examination

(hemtentamen), but is close to the grade “pass” can, after a decision by the examiner, be allowed to complement (kan skriva supplement eller revise också) an examination assignment in order to reach the criteria for pass. For supervised examination (salstentamen) complementing is not allowed. Complementing of an examination must be individually adapted based on the learning outcomes or objectives that were not achieved by a student. It must take place within two weeks after informing the student of the examination result and before the next examination opportunity.

General rules pertaining to examination at University West are available at www.hv.se.

If the student has a decision/recommendation on special support due to disability, the examiner has the right to examine the student in a customized examination form.

Cycle
