*Teoretiska perspektiv på ras och frihet, 15 hp*

---

Established: 2019-07-04

Established by: School of Business, Economics and IT

Applies from: H19

---

### **Learning outcomes**

The student shall upon completion of the course be able to demonstrate:

#### **Knowledge and understanding of:**

- How questions of race and racism have varied through history
- How states and other public institutions have taken different approaches to questions of race and racism thorough history
- Modern empirical theories about race and racism
- Modern normative theories about the relation between the state and race and racism issues

#### **Skills and abilities to:**

- Critically analyse political issues of race and racism from different empirical and normative perspectives
- Deconstruct and reflect about concepts related to racism and race
- Analyse the relationship between race and ethnicity and other identifications such as gender and sexuality

#### **Ethical ability to:**

- Understand how race and racism are not given entities and hence be able to understand other approaches than ones own
- Be able to cooperate in a multicultural society with a variety of approaches to combat racism

### **Entry requirements**

Bachelor degree with a major in Political Science, or equivalent.

### **The forms of assessment of student performance**

Individual assessment of the assignments given during the course, including written papers, group work, and presentations in seminars.

### **Other regulations**

Course grading: F/Fx/E/D/C/B/A - Insufficient, Insufficient- more work required before the

credit can be awarded, Sufficient, Satisfactory, Good, Very Good, Excellent  
Course language: The teaching is conducted in English.

A student who does not fully meet the learning outcomes of a non-supervised examination (hemtentamen), but is close to the grade “pass” can, after a decision by the examiner, be allowed to complement (kan skriva supplement eller revise också) an examination assignment in order to reach the criteria for pass. For supervised examination (salstentamen) complementing is not allowed. Complementing of an examination must be individually adapted based on the learning outcomes or objectives that were not achieved by a student. It must take place within two weeks after informing the student of the examination result and before the next examination opportunity.

General rules pertaining to examination at University West are available at [www.hv.se](http://www.hv.se).

If the student has a decision/recommendation on special support due to disability, the examiner has the right to examine the student in a customized examination form.

## **Cycle**

Second cycle

## **Progressive specialization**

A1N - second cycle, has only first-cycle course/s as entry requirements

## **Main field of study**

Political Science
